

Arabic Letters. How cute would this be in a kid's room?!

More Arabic practice in our house! I put together an Arabic color matching file folder game similar to our paintbrush matching file folder.

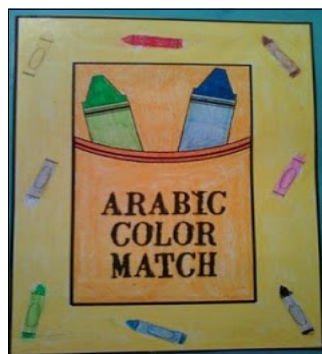

-Here are a few pics of our game:

The entire layout of the game

The pockets that hold the crayons
Folder with out crayons in pockets

You will find it in a folder called:

Arabic crayon math black & white

Let the kids mold the cookie dough to shape their name in Arabic! A
